Improving Organizations Improving Lives

STAT OF THE WEEK

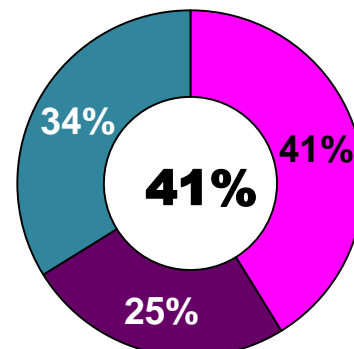

Management/Employee Respect for Each Other

57% of employees in T&T say they respect their managers; but only **41%** think their managers respect them, while one-third (**34%**) don't think they do.

Employees generally respect the managers in my company.

Managers treat employees with respect regardless of their job level.

What's the level of management/employee respect in your organization?
